OPENING RECEPTION: SUNDAY, DECEMBER 5th, 3:30 to 5:30

AS220 • CAN WE TALK? • AS220

What shall we talk about...?

'Twas ye olde Yuletide Season, and all ye tinyee beatniks elves were sweatinge their wee tinyee little buttes offe over bye Umbertodaus' happye workshoppes, waye uppe on Empryre Streete...

Happy December, everybody. Well, if you haven't noticed, full occupancy at the Empire St. Complex hasn't occurred yet. Inevitable construction complexities have pushed the date back to January 1st. Be on the lookout for an open/full house not terribly long thereafter. Until then, we need as much weekend volunteer support as possible!

The delay in opening the upstairs gallery, office and studios hasn't affected the operations of the ground floor performance space, however. November was marked by successful shows of the likes of German noise mavens MASSAKER, the debut of the FOLK SLAM (yet another original idea, if we don't say so ourselves), loads of neat MYSTERY BOX movies and the solidification of the NEW ENGLAND CHOWDA HOUR on Sunday afternoons. If you've been missing any of AS220's high-quality, low cost original offerings, than take a break from the seasonal capitalist feeding frenzy this month and come check out events such as...

SHADES OF OURSELVES is a one-day art exhibition from students at the Alternative Learning Project, curated by THERESA HILLMAN. Be sure to come get a peek at these young artists' budding efforts at the reception on Wednesday the 1st from 7 to 8 PM.

She made a splash in her pool of talents! She was stunning in 'Stravaganza! Now she'll warm your hearth and tickle your stockings at PRINCESS PEARL OF PROVIDENCE'S HOLIDAY CABARET with TERRY NORTON, THE HOUSE OF CHANEL, DAVE URBANE, KELLY BRADY, STEVIE DUBOIS and others (produced by WAYNE WOHLSCHEGEL) on Friday the 17th, with two shows, 8 and 11. Hoo, Hoo, Hoo!

Speaking of Solstice-related fun, let it be known that an AS220 VOLUNTEERS' HOLIDAY PARTY is in the works. Tom P. is working out the details, but it looks like some variation on pot-luck. Leave a space on your date book for Wednesday the 22nd, from 7 PM to ???

And finally, our amazing-fantabulous-mega-hip NEW YEARS PARTY.

The early-early-New-Years-AM event will be highlighted by the GRAND OPENING OF THE AS220 CAFE, serving coffee-drinks, sandwiches, light munchies and heavier fare in an ever-changing, eclectic menu. Eat, drink, and enjoy an all-star line-up, with the now-famous LEGENDARY NEO-90'S DANCE BAND FROM PLANET EARTH, THE SMOKING JACKETS, the long-awaited return of THE ROBERT JAZZ QUARTET, MEATBALLS/FLUXUS, FRODUS, THE ZEN PSYCHOTIC, THE KMS TRIO, MOVIES, FOOD, DRINK, SPICE, DANCE, LAUGHTER, UPPER COLONICS, LOVE and WAR!!!!!!!

Sincerely,
RK
